### Cleaning Solutions for Carpets & Upholstery

#### Fibre Cleansing Formula

The Bissell Pro-Heat comes with a sample bottle of a general purpose cleaning formula to both clean, deodorise and refresh carpets and upholstery by penetrating deep into fibres to break down stubborn stains, dirt and odours.

#### Bissell 'Wash & Protect' with Scotchgard

Also available, this advanced general purpose cleaning formula uses Scotchgard to give added stain and soil protection - Highly recommended.

Save time & money!  
Order extra bottles of both cleaning solutions today with your machine

Instantly converts to an above the floor cleaner.

"Makes even difficult to remove carpet stains disappear!"

FROM ONLY... **£99.95** plus P&P

This amazing carpet cleaning machine which employs the latest Hi-Tech cleaning technology, will shampoo even your dirtiest carpets clean - Lifting out the most stubborn of stains.

SO EASY TO USE! To give you optimum results the ProHeat uses its unique SmartTemp™ and SmartMix™ systems, to automatically heat and adjust the Fibre Cleansing Formula, for each individual job. These combine with its powerful suction and wide range of specially developed attachments, including the DirtLifter PowerBrush™ to ensure your carpets, upholstery and floors will be left cleaner and dryer.

- SmartMix™ dial adjusts formula for every task
- DirtLifter PowerBrush™ and TurboBrush™ lifts dirt and self-adjusts to carpet height
- Heats the solution for optimum results
- Comes complete with 1 Year Warranty, a full set of accessories and a bottle of Fibre Cleansing Formula

MONEY BACK IF NOT 100% DELIGHTED The price of a new BISSELL ProHeat is only £229.99. But you can save £150 by buying a Factory Refurbished, nearly new machine, with a 30 Day Money Back Guarantee of Satisfaction.
