

NEW - The Hard Floor cleaner that flips sides for wet or dry cleaning!

Flip-It!

**NEW
AS SEEN
ON TV!**

New, innovative and easy to use. The BISSELL Flip-It™ Hard Floor Cleaner combines the two-step process of both vacuuming and wet cleaning hard floors, such as sealed woods, sealed and unsealed laminates, tiles and lino.

Use one side to pick-up everyday dry dirt and debris. Flip-it around for wet cleaning. Squeeze the trigger and cleaning solution will come down through its specially designed brush and pad. Its squeeze action and suction leaves the floor dry enough to walk on.

Money back if not 100% delighted!

The BISSELL Flip-It™ comes complete with brushes, pads and 2 sample bottles of cleaning solution. If it does not amaze you with its ability to clean, return it within 30 days for a full refund.

One machine for wet & dry hard floor cleaning.
